SKILLS

Curious and motivated React Developer with strong command of React.js, Tailwind CSS, and Firebase. Eager to build meaningful solutions that solve real problems and bring value to users.

I learned React development from SMIT (Saylani Mass IT Training Center), where I also developed essential soft skills beyond web development — including network building, team coordination, presentation delivery, meeting deadlines, and workload management.

Courses

Saylani Mass IT Training, Faisalabad - *Web development*

September 2024 - September 2025

I completed my course from Saylani Mass IT Training and learning Web development.
